NEW EAP (F-59) INFORMATION

- Active Shooter training for building occupants has been one of the major changes to the new FDNY required material for the computerized FDNY test and the updated On-site Test
- Reference Tables within the new study guide show “Recommended”, “Acceptable” and “Unacceptable” EAP actions for different scenarios but must be used in conjunction with other information provided throughout the course of the EAP class and the study guide.

Please check the below link for the latest revised study material prior to your on-site test.
