FLSD On-Site Pilot Invitation

F-89 Fire Safety/Emergency Action Plan Directors or Inactive Q-89 Fire Safety/Emergency Action Plan Directors who are becoming certified in a **new** office or mixed **building** can save time by combining **two** separate onsite exams into **one** onsite exam.

FDNY is combining the former Fire Safety Director and Emergency Action Plan Director Onsite Exams into the comprehensive Fire and Life Safety Director onsite Exam as per 3 RCNY §113.

Interested candidates should have the authorized personnel email chouchm@fdny.nyc.gov (Include "FLSD Pilot" in the subject line) your:

- Current F-89 Fire Safety/Emergency Action Plan Director or Inactive Q-89 Fire Safety/Emergency Action Plan Director certificate of fitness number.
- Complete building address where you will be taking the onsite exam, including borough and zip code.
- DOB **BIN** (Department of Building's Identification Number)

If you pass, the FDNY will issue the F-89 Certificate of Fitness after the pilot program.

If you do not pass the exam the first time, you will **not be penalized** since you will still have two chances to take the onsite exam.

To prepare for the onsite exam, refer to the Fire Safety Director with Active Shooter and Medical Emergency Preparedness F-85 Onsite Study Guide accessed through the following link <http://www1.nyc.gov/assets/fdny/downloads/pdf/business/cof-f85-study-materials> and the Fire and Life Safety Director F-89 Non-Fire (EAP) Onsite Exam Study Guide accessed through the following link <http://www1.nyc.gov/assets/fdny/downloads/pdf/business/cof-f89-r59-onsite-study-material.pdf>

The premises will be billed \$750 for the combined onsite exam.
