Pass It On Bulletin #20
Date: 09/13/2017

Active Shooter/ Medical Emergency Course Reminder

This bulletin serves as an reminder to all persons currently holding an active F-58 (Fire Safety Director) or F-59 (EAP Director) who have not yet completed the 4-hour active shooter/ medical emergency course.

As of September 4, 2017 the FDNY High-Rise Unit has begun inspections and issuing violations to building management employing personnel that have not completed the course and received the new F-85 or F-89 certificate of fitness as required.

The Emergency Preparedness Unit is no longer accepting Fire Safety & Evacuation Plans and/ or Combined Fire Safety/ EAP amendments until all individuals listed in your plan hold the new F-85 or F-89 certificate of fitness as required.

DSSI continues to offer the 4-hour active shooter/ medical emergency course to those who have not yet taken it.

To schedule the course or if you have any questions about the Pass It On Program call us at 212-240-9500.
